PREFACE

The need for a book on 'Quotations on Sports and Games' is a long felt one.

In these days of scarcity for the books on Physical Education in general, a book on Quotations on Sports and Games is a necessity for all who are interested in the field.

Unfortunately for a long time, this field was a neglected one and the importance of Sports and Games was losing its grandeur. There came a stage that this field which is contributing a lot towards development of the community will vanish one day from the scene.

As a sportsman, I was feeling sad over this situation and decided to do something to rejuvenate the field. As I was doing my postgraduation in the Y.M.C.A. College of Physical Education, my horizon of Physical Education field widened, and I was urged to compile a book on 'Quotations on Sports and Games'.

I don't think it is appropriate to express the difficulties I underwent to collect the materials. The books I have referred, the persons I have met in this regard are innumerable.

I earnestly feel that I have done something which is useful for the future generation, interested in Sports and Games.

I hope this book will be utilised in a fruitful manner by the writers on physical Education. The speakers on this subject will be benefitted much from this book.

I thank Dr. Robson and Dr. J. David Manuelraj for their valuable forewords for my book. My sincere thanks are due to Mr. S. Amaldas, for the encouragement he gave me in bringing out this book and for Mr. R. Adam Socrates and N. C. Rajkumar for the pains they took to bring out this book in a grandmanner.

FOREWORD

I had the privilege of having Mr. S. Navaraj Chelliah as my student at the Alagappa college of Physical Education, Karaikudi. His thirst for professional knowledge was springing up by that time.

It has resulted in a contribution of more than seventy five books mainly on Sports and Games in Tamil.

This book entitled "Quotations on Sports and Games" is probably the first of its kind in the English language. He might have delved deep into many sources and books to collect quotations on Sports, Games, Exercise, Play grounds, Sportsmanship, Health and Strength which are rare to find.

In the field of Sports and Games, orators and eloquent speakers are very rare to find. One reason is the dearth of knowledge of Quotations on Sports and Games.

This volume will enlighten the readers with wealth of information of quotations on the field.

I am sure that all the physical education teachers and the libraries of all institutions shall own this book for ready reference.

I wish Mr. Navaraj Chelliah all success.

FOREWORD

Mr. S. Navaraj Chelliah was introduced to me during an Alumni Association meeting of Alagappa College of Physical Education as the Alumni Association President.

I saw in him a spark of contributory fire even during that time and hence, I shook hands with him and exhorted him to contribute more and more to the field of Physical Education.

He was my student at the Master's Degree course at the Y.M.C.A. College during 1978-1979. During this period, he took a vow that he will write and publish 100 books before the end of 1980. I always served as a motivator to him in his marathon efforts.

This book on 'Quotations on Sports and Games' is his first ever literary contribution in English. As a Master's Degree holder in Physical Education, he has started his new venture, writing books in English.

I appreciate his good gesture. Mr. Navaraj Chelliah is now a full time writer, probably 24 hours in a day is too short for him.

He is the first author especially in India who has really become a full time writer in the literary world on sports and games.

Let every one encourage this dedicated young man who is a versatile writer, as well as a sportsman.

This book shall find a place with every Physical Education Teacher and Coach. All those who are interested in sports and games shall possess with pride a copy of this encyclopaedia of Quotations on Sports and Games.

I wish that his efforts never cease to promote the domain of sports and games. May Almighty Lord, the light of the world, shall bless all his ventures.

SPORTS

A SPORTSMAN'S PRAYER

'Dear Lord, in the battle that goes on through life
I ask but a field that is fair.
A chance that is equal with all in the strife,
The courage to do or to dare.

And if I should win let it be by the Code,
with my faith and my honour held high,
And if I should lose, let me stand by the road,
And cheer as the winners go by.

Lord teach me to conquer, if I can.
Having shown my worth in the fray,
But if I should lose, let me lose like a man,
And not like a coward, I pray:

Let me say 'There they ride' on whom honour's
bestowed,
Since they played the game better than, I,
Let me stand, with a smile by the side of the road,
And cheer as the winners go by.'

Know ye not that they which run in a race run all, but one receiveth the Prize? So run, that ye may obtain.
